SPECIFICATIONS

PRODUCT: Oils of Aloha® Certified Organic SOLaleur®
INCI NAME: Aleurites Moluccana Seed Oil, Macadamia Ternifolia Seed Oil,
Tocopheryl Acetate

INTRODUCTION:

Recent clinical studies have demonstrated the effectiveness of Oils of Aloha's SOLaleur in suppressing erythema caused by sunburns and radiation burns. SOLaleur's unique composition utilizes the inherent healing qualities of a number of natural ingredients including: USDA Certified Organic Kukui DEO, Natural Macadamia DEO and a proprietary blend of antioxidants.

CHEMICAL AND PHYSICAL PROPERTIES

Acid Value: Less than 1
Color: Light Yellow/Amber
Iodine Value: 145 to 170
Odor: Slightly Characteristic
Saponification #: 185 to 198
Non-Saponifiables: Less than 1%
Peroxide Value: Under 5 meq/kg
.

TYPICAL FATTY ACID COMPOSITION

Palmitoleic	1 to 3%
Palmitic	6 to 8%
Stearic	2 to 3%
Oleic	23 to 30%
Linoleic	36 to 43%
Linolenic	21 to 32%
Eicosenoic	Trace
Myristic	Trace
Arachidic	Trace

TOXICITY DATA:

The oil is nonirritating to the eyes and has no known side effects. Contains no animal by-products. This material does not contain any allergenic sensitizers associated with peanut allergies. Not genetically modified.
